

Engines

North American Distributor Sales and Service Directory

The Linamar Engine Distributor and Dealer Network – Ready and Qualified to Serve You

Give your Linamar Engine the care that it deserves by having it serviced by one of our authorized distributors and dealers, who is also your source for parts.

For sales support, our distributors and dealers provide information, technical data and application assistance.

Service

Follow these steps to resolve your service and warranty concerns:

1. Contact your nearby original selling distributor or dealer.
2. Consult the Yellow Pages™. Typically product distributors are located under:

ENGINES – GASOLINE

3. Check this Sales and Service Directory. Each distributor listed for service in this directory can refer you to the nearest authorized dealer, if applicable.

4. See your Cummins / Onan distributor for international service support.
