Linamar Corporation (TSX:LNR) is a diversified global manufacturing company of highly engineered products powering vehicles, motion, work and lives. The company is made up of 4 key divisions – Manufacturing, Driveline, Industrial Commercial Energy (ICE) and Skyjack, all world leaders in the design, development and production of highly engineered products. The company's Manufacturing and Driveline divisions focus on precision metallic components, modules and systems for engine, transmission and driveline systems designed for passenger vehicle markets. The ICE group concentrates on similar products for on and off highway vehicle, energy and other industrial markets. The company's Skyjack division is noted for their innovative, high quality mobile industrial equipment, notably its class-leading aerial work platforms and telehandlers. With more than 12,500 employees in 39 manufacturing locations, 5 R&D centers and 13 sales offices in 11 countries in North America, Europe and Asia. For more information about Linamar Corporation and its industry leading products and services, visit [www.linamar.com](http://www.linamar.com).

Certain information regarding Linamar set forth in this document, including management's assessment of the Company's future plans and operations may constitute forward-looking statements. This information is based on current expectations that are subject to significant risks and uncertainties that are difficult to predict. Actual results may differ materially from those anticipated in the forward-looking statements due to factors such as customer demand and timing of buying decisions; product mix; competitive products; the cost, timing and effectiveness of cost reduction initiatives; and pricing pressure. In addition, uncertainties and difficulties in domestic and foreign financial markets and economies could adversely affect demand from customers. These factors, as well as general market, economic and political conditions, may in turn have a material adverse effect on the Company's financial results. The Company assumes no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those reflected in the forward-looking statements.
